

## Participant Worksheet: **Medicine Hideouts**

**Directions:** Where are safe places to store medicine at home?

1. Cut-out the four medication bottles in your strip of paper.
2. Review the possible places to store medicine in each room.
3. Glue the medication bottle in a place you think is safe to store medicine.
4. Color each room.

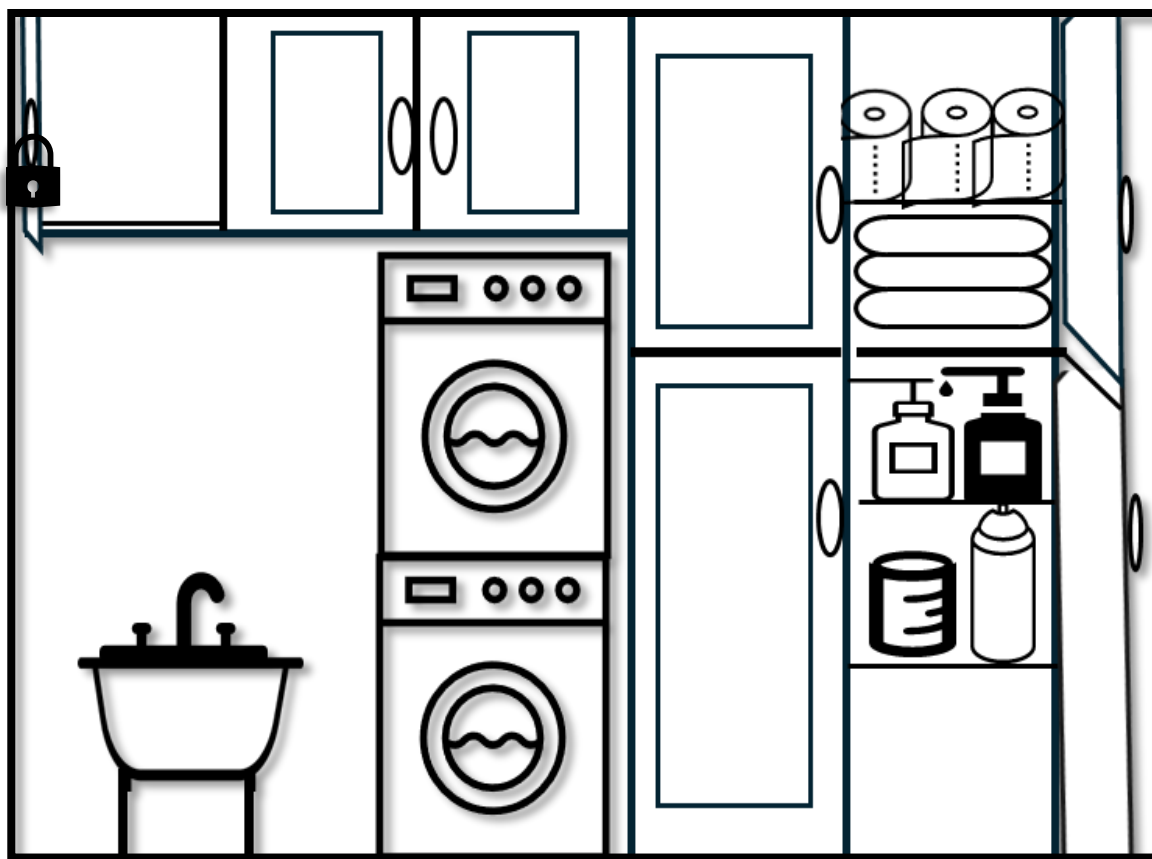

**Room 1:**  
Kitchen

**Room 2:**  
Bathroom

Participant Worksheet: **Medicine Hideouts, continued**

**Room 3:**  
Laundry Room

**Room 4:**  
Bedroom
